

# PLASTIC BOXES

Nefab's plastic boxes, cases and totes are used in many different ways and have a variety of applications.

## Plastic boxes

We can offer the right solution for a specific product or situation with our wide selection of standard sizes. By adding internal fittings, printing, handles, locks and so on, we can customize any of these standard products.

Long term

## Benefits

- Custom and standard sizes available
- Lightweight
- Resistant to dust and wear
- Colour combinations of case/hinges
- Inlays protect your product during transport and storage
