

CERTIFICATE OF CONFORMITY OF PLYWOOD

21/PW/052/2017

AIDIMME, Metal-Processing, Furniture, Wood and Packaging Technology Institute, herewith certifies the external supervision regarding formaldehyde emission of

NEFAB PONTEVEDRA, S.L.

Ctra. de Barbudo 16,
36828 Pontecaldeas - Pontevedra
Spain

for the product

Plywood, **EUCAPACK** (Eucaliptus with 6 mm, 8 mm and 15 mm thickness, and with 5 plies, 7 plies and 11 plies respectively) and **COMBI** (Eucaliptus-Poplar with 6 mm thickness and 5 plies)

with a classification of E1

The external supervision includes a continuous surveillance of the company's internal production control and a bi-yearly testing of random samples according to the "Regulation on the classification and external supervision of wood-based panels regarding formaldehyde emission (DIBt-Richtlinie 100)".

This certification has a maximum validity up to 04/10/2018 and supersedes certificate reference 21/PW/043/2016.

Date of issue: 4th October 2017
